MILLIONS OF COMPANIES ARE OPENING BUSINESS IN UAE MOST SUCCESSFUL BUSINESSES HAVE PUT THEIR TRUST IN US

Today, UAE offers endless opportunities for foreign investors. Having most favorable investing climate for all types of organizational structures. Whether it is international trade, growing tourist traffic, technology, entertainment, services – UAE offers unlimited number of potential clients and customers going your way.

Asad Abbas and Co. (Chartered Accountants) has been in the market since 2008, supporting clients from the start of operations in UAE, leading them to success.

Along with the necessary growth steps, there are basic rules you would need to know and follow in setting up your business.

Please read below and contact our professionals to guide you. Let us create success for you.

- Do not register your company in a Free Zone without taking a look at the available office sizes and preconditions
- Do not make firm plans based only on published information
- Do not choose a license category blindly without confirming if it allows your business model
- Do not open a bank account without confirming the bank charges
- Do not sign a sponsorship with local sponsor without a written legal agreement

FOCUS ON THE VALUE OF YOUR BUSINESS
